You bet.

Not sure what time your plane would arrive, but I plan on driving up that day, and we could easily do it anytime between 1:00 and 5:00

Hi Mike,

Any chance of including a site visit on this trip?

Hello Susan,

Attached is a copy of the CFAC brochure going out. I hope you can make it so we can give the community an overview of what a Human Health risk assessment consists of. I think the community will find this interesting.

The next meeting of the community liaison panel is scheduled for Thursday, October 5, 2017, at the Tea Kettle Community Room, 235 N. Nucleus, Columbia Falls.

Here is the site name and charge number.

ANACONDA ALUMINUM CO - GENERIC PA/SI - SITEWIDE –

Thanks,
Mike

Good afternoon Mike and Robert.

Attached is the brochure CFAC plans to issue to the community list we maintain. It will go out as soon as it is printed, which should be early next week. Please share your thoughts by 9 a.m. EST, Wednesday, September 13. If Ann or I don't hear from you, I will presume all is good. We will be watching for a response from you.

Kind regards,

Vonda B. Matthews
